It's an exciting time for Brighouse as we prepare to invest £19 million to build a place where history lives, communities come together & memories are made.

The Brighouse Deal is your deal – so join us to discover what it means for you and help write the next chapter in the story of our town.

Our May Open Day will be the first in a series of events across the town so if you can't make it, you will have other chances to discover the Deal.

You can also keep up-to-date and see the latest plans on our website and across our social media.
